

Geriatric – modern and dynamic

In the Geriatric care center GerAtrium, we offer today for around 100 residents and residents a professional, competent and individual care and support in a personal atmosphere. The modern care center in Pfäffikon ZH is located in a beautiful location with a view of the Pfäffikersee and the nearby Alps.

To complement our team for the specialized transition and long-term care department A2, we are looking for per 1. January 2023 or after agreement a professional, reliable and engaged personality as

Specialist Health (FaGe) 80-100%

Your Tasks Together with the other team members support, care and support our residents and residents in their daily life. As a specialist, you take care of many issues of the care department. You are in regular contact with relatives and external contact persons. Thanks to your social and professional competence, you help to achieve departmental and operational goals.

Your Profile You have a completed education EFZ Specialist Health (FaGe) and experience in the field of geriatrics are an advantage. You are reliable and flexible. You speak German both orally and in writing.

Our Offer An interesting and challenging job in a motivated and experienced team. In the defined framework of competencies you work independently and bring your own ideas. You do not work night shifts. Five weeks of vacation. Parking spaces are available. Seven minutes walking distance to the station. Salary and employment according to cantonal guidelines.

Have we piqued your interest? For further information, please contact the department head, Mrs. Tobler Regula (Department A2 Tel. direct: 044 953 43 52) at your disposal.

Your application documents should be sent by email in **PDF-format** to:
